

Parents/Guardians of Perspective Students:

The administration is pleased to provide you with information for admission to North New Summit School. The admission procedures are designed to provide instructions to the parents/guardians as well as to ensure a positive educational placement for the student.

Our staff is committed to organizing all educational information in order to determine if North New Summit School can provide the educational services reflected in the interview and data analysis. Appropriate placement is essential for both student and school success.

Please review the admission procedures and contact Mrs. Donna Yeargin, Admission and Counseling Director for North New Summit School at 662.451.5398 or email (dyeargin@northnews Summit.com) for an appointment.

In addition, North New Summit School's website provides an overview of the school. (www.northnews Summit.com)

Again, thank you for considering North New Summit School as the preferred education provider for your child.

Mrs. Susan Floyd
School Director
North New Summit School
